NCCP 00947 · clinician draft

Capivasertib + fulvestrant

> **Supportive prescription draft for review.** This is a regimen template. It is not an issued patient prescription; individual review and completion are required.

Separate scripts for each phase

Choose the active phase in the clinician workflow. Each script has its own medicines, timing and review checks.

- **Capivasertib + fulvestrant · reviewed support plan** — Minimal-to-low oral risk
