NCCP 00372 · clinician draft

Nintedanib · continuation

> **Supportive prescription draft for review.** This is a regimen template. It is not an issued patient prescription; individual review and completion are required.

Separate scripts for each phase

Choose the active phase in the clinician workflow. Each script has its own medicines, timing and review checks.

- **Nintedanib-only continuation · continuous twice daily** — Minimal-to-low oral Nintedanib
